ABOUT IRISH AMERICA

Since its inception in October 1985, Irish America has become a powerful vehicle for expression on a range of political, economic, social, and cultural themes that are of paramount importance to the Irish in the United States. It has helped re-establish the Irish ethnic identity in the U.S. (34.7 million according to the last U.S. census) and highlights the best political and business leaders, artists, writers, and community figures among the Irish in America.
