The Irish America Hall of Fame honors the extraordinary achievements of Irish-American leaders, from their significant accomplishments and contributions to American society to their personal commitment to safeguarding their Irish heritage and the betterment of Ireland.

The Irish America Hall of Fame exhibition is housed in New Ross, County Wexford, at the Dunbrody Famine Ship Experience.

ABOUT IRISH AMERICA

Since its inception in October 1985, Irish America has become a powerful vehicle for expression on a range of political, economic, social, and cultural themes that are of paramount importance to the Irish in the United States. It has helped re-establish the Irish ethnic identity in the U.S. (34.7 million according to the last U.S. census) and highlights the best political and business leaders, organizations, artists, writers, and community figures among the Irish in America.
