2018 Keynote Speaker

Michael F. Mahoney
CEO, Boston Scientific Corp

Michael F. Mahoney is the Chief Executive Officer and chairman of the board of Boston Scientific Corporation, a global medical technology leader with approximately \$10 billion in annual revenue and commercial representation in more than 125 countries.

Since joining Boston Scientific in 2011 as president, he has focused the company on addressing the needs of the evolving healthcare landscape by driving improvements to patient outcomes and increasing healthcare economic efficiency and access. Under his leadership, Boston Scientific has brought many transformational medical devices to market.

Mahoney's career spans more than 25 years of success building market-leading medical device, capital equipment, and healthcare IT businesses. Prior to joining Boston Scientific, he held prominent leadership roles at Johnson & Johnson, Global Healthcare Exchange, and GE Medical Systems, where he spent the first 12 years of his professional life.

Mahoney serves on the Board of Directors of Baxter International and on the Board of Governors of Boston College CEO Club. He is also a member of the American Heart Association CEO roundtable. He earned his B.B.A. in Finance from the University of Iowa and his M.B.A. from Wake Forest University. He is married and has three children.

ABOUT THE IRISH AMERICA HEALTHCARE & LIFE SCIENCES 50

ABOUT IRISH AMERICA MAGAZINE

Since its inception in October 1985, Irish America has become a powerful vehicle for expression on a range of political, economic, social, and cultural themes that are of paramount importance to the Irish in the United States. It has helped re-establish the Irish ethnic identity in the U.S. (34.7 million according to the last U.S. census) and highlights the best political and business leaders, artists, writers, and community figures among the Irish in America.
