

LIONBRIDGE

Part time, Independent Contractor, Work from Home Opportunity

The Position

Are you looking for a position that gives you the opportunity to work with one of America's top 100 most trusted Companies while also increasing your income from the comfort of your home? Then why not join Lionbridge as a part-time Independent Contractor. We are currently recruiting for the position of Online Map Quality Analysts in the United States.

The position will allow you to work from home on a flexible schedule of up to 20 hours per week completing tasks in a web-based evaluation tool. The tasks will involve determining the relevance and accuracy of information by performing online research and referring to guidelines provided to you. The tasks will mainly be map related but it is possible there will be non-map related tasks you are required to work on from time to time. Candidates for this position will need to have good research skills and a strong understanding of local and national information. Cultural, geographical, social media and current affairs knowledge are important in this position.

The Requirements

- Fluency in English is essential
- You must be living in the United States for the last 3 consecutive years
- Working knowledge of local and national geographical areas
- Passing an online evaluation to demonstrate capability of reading and applying the guidelines
- Experience/know-how of using online maps, search engines and website research
- You must have familiarity with current and historical business, media, sport, news, social media and cultural affairs in the **United States**
- Access to and use of a broadband internet connection and associated computer and software to perform the work, all provided at your own expense

The Position Will Involve

- Reading and applying written guidelines on how to evaluate and rate the tasks
Please note it is possible you will receive guidelines for multiple task types over the course of the program

- Research using online tools to determine the relevance and accuracy of the task information
- Applying local knowledge to evaluate relevance of the task information in your market
- Completing tasks in the web-based evaluation tool

Hours for this position are up to 20 hours per week depending on task availability

This is a freelance, independent contractor position.
